

Every Time I See a School Bus!

Prayer

Dear God,

Every time I see a school bus
on the road each day,
Help me take the time
to pause and for the children... pray.

Keep them all from harm and safely in Your care,
Guard their hearts and guide their minds,
and let them know You're there.

Let all who teach and lead them
treat them as a treasure,
Because they are loved by You,
with a love that can't be measured.

Every time I see a school bus
on the road each day,
Remind me that bus carries
more than children who just play

It's full of precious cargo
whose lives will light the way.

So keep Your hand upon them
and help them live Your way.

Amen
